

## Tax Credit for Non-Business Energy Property (Manufacturers Certificate of Compliance-Armaclad Windows and Doors, LLC)

Armaclad Windows and Doors, LLC, located at 4422 W. 46th. St., Chicago, IL 60632, is a manufacturer of exterior window and patio door products. Armaclad, as required by the Tax Relief Unemployment Insurance Reauthorization, and Job Creation Act of 2010, hereby certifies that when our window and patio door products are purchased with specific high performance glass and inert gas fill options, they meet or exceed the required tax credit criteria. Specific windows and doors shall qualify for the energy efficient, home improvement incentives that allow for a tax credit of 10% of the cost of the qualifying product up to \$200 for windows and \$500 for exterior doors, not to exceed a maximum of \$500 per household.

Armaclad Windows and Doors, LLC certifies that the following Encore products, when supplied with the glazing options indicated below, are in full compliance with the Energy Star tax credit requirements for windows purchased from January 1, 2011 through December 31, 2011.

**Encore™ Double Hung**  
**Encore™ Horizontal Slider**  
**Encore™ Picture Window**  
**Encore™ Casement Window**  
**Encore™ Casement Picture Window**  
**Encore™ Sliding Vinyl Patio Door**

### Glazing Options

**All EnergyGuard Plus Series**  
**All InsulMax Series**

**All InsulGuard Series**  
**All InsulMax Plus Series**

Armaclad Windows and Doors, LLC certifies that the **Liberty Window Series**, when supplied with the **EnergyGuard Plus 2** glazing option, is in full compliance with the tax credit stimulus requirements for windows purchased beginning on January 1, 2011. Qualifying product criteria shall be those that are Energy Star Rated.

I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
